Dear Dr. & Mrs. Flowers,

I just wanted to express my deep appreciation for inviting me out for dinner at the fine restaurant by the seashore. Charles and I enjoyed the evening immensely. Not only was the food excellent, but also the environment with top quality singers entertaining us while we were dining. It was one of my most unforgettable evenings!

Most of all, I thank you for your time of fellowship with us sharing your personal moments of joy and happiness. It was quite an honor for me to have had such a wonderful time with you. Thank you again for all that you mean to Charles and to me.

Now, I am back to Alabama praying for Charles to realize the opportunity God has given him to learn from you. Certainly, not many young physicians have the kind of chances that Charles has in having such a mentor as you. I do believe that God led him to you in Hawaii so that He may use him someday as He is using you in a mighty way throughout the world.

Please pray for him so that he will learn to acknowledge Him as the source of all blessings. I will also pray for God's continued blessing upon you and your valuable work.

Sincerely,

Don
