Dr. Flowers,

I cannot find words to express the pleasure that the incredible Louvre and Musée d'Orsay towers have afforded me over the past three days. I've pored over the pictures, the history, and the descriptions for many many hours, re-experiencing last summer's enjoyments.

You are a gifted surgeon and a talented artist. You are also the kindest and most generous gentleman I have ever met. Actually, the term that fits you best is *renai sance man*!

Thank you so much. Your kind gift made my Christmas!

Sincerely,
