The Incredible  
Bob Flowers....

Tis truly an amazing  
gift you have.

How blessed I am you  
share with me.

I am enclosing a photo -  
1964 on the Matsonia.

How ever did you remember  
my profile so perfectly?

My hip is still pain free  
and

no pain at all around  
my mouth.

Talked with Moonjay and  
have started her magic  
pills.

Am sending her book on  
to you.

Humongous thanks to  
you and Susan and  
your wonderful staff.

You are the most  
generous person I know...

FUN, too

Love and happiness today  
and every day.

Jody
